

Class Surveys

The students in Ms. Young's fifth-grade class completed several surveys and then organized the results in different graphs.

Decision Making

Use the line plot below to answer questions 1 and 2.

Students in Ms. Young's Class

Survey Results

- How many students responded to this survey? _____
- What question do you think was asked for this survey?

Use the frequency tables below for questions 3 and 4.

Favorite Dessert	
Apple pie	2
Brownies	4
Chocolate cake	6
Ice cream	7
Fruit	1

Second-Favorite Dessert	
Apple pie	6
Brownies	2
Chocolate cake	6
Ice cream	4
Fruit	2

- The school needs to choose two types of desserts to serve at a class picnic. Which two desserts would you suggest?

- If the school needed to choose only one type of dessert to be served at the class picnic, which dessert would you suggest?
